Number of athletes	12	
Total number of participants M/F in Lead and Speed	48	

- The maximum number of qualifiers from one country is 2 athletes per category. When one country has more than 2 qualified athletes in the same category, the National Federation decides who will participate. In any case, the World Cup 2008 winner and second place, as well as the World Champion Junior must participate.
- If the World Cup 2008 winner and second place, also qualifies via one or more of the subsequent criteria the next highest ranked athlete in the World Cup 2008, not already qualified, will qualify.
- In unforeseen cases, the IFSC Board will make the decision regarding participation
