Dear IFSC IFSC,

Many thanks for your commitment to our climate! myclimate is committed to effective climate protection – locally and globally. We want to shape the future together with you through consulting services, education and carbon offset projects.

Thanks to your trust in us, we are able to work for active, measurable climate protection on a daily basis, thus improving the lives of many people around the world.

Kind regards

Kathrin Dellantonio

P.S. Did you know that myclimate advises companies on everything related to climate protection and resource management? You will find more information at www.myclimate.org.
