Any specific request related to local athletes, whether for news or other contents, and not already included in the IFSC news edits, will be negotiated in advance with the IFSC. An embargo is set for the following territories: Asia excluding China, Caribbean, Europe, Latin America, and Oceania.

News channel of such territories shall contact directly: info@synca.jp and fabrizio.rossini@ifsc-climbing.org

At any time, the IFSC Media & Communications Department may issue additional requirements to all media representatives. Questions regarding this policy should be discussed with the IFSC before the events.
