

IFSC TV Rights policy for non-rights holders

The IFSC is the owner of all broadcasting rights at all IFSC Events. As owner of all the footage streamed or broadcasted during IFSC events, the IFSC is willing to give accredited Non-Rights Holders (TV and Online) a clear policy regarding IFSC event filming.

Freely Available Content

- News edits, dope sheets and shot lists

The IFSC distributes for broadcast via recognised news channels only the following footage:

- A news edit at the end of each competition day with semi-finals and/or finals
- A shot list
- A dopesheet

This material is usually uploaded within two (2) hours after the end of the event, and can be used for free up to two (2) days after the end of the competition. Past that deadline the use of this footage will be subject to a license fee.

To be able to download any of these materials, media representatives must register at the following address: <https://www.ifsc-climbing.org/index.php/2-uncategorised/88-media-accreditation>

Any specific request related to local athletes, whether it is for news or other contents, and not already included in the IFSC news edits, will be negotiated in advance with the IFSC.

An embargo is set for the following territories: Europe, Japan, Asia (excluding China), Oceania, Latin America and Caribbean. News channel of such territories shall contact directly: info@synca.jp and Federico.ferro@ifsc-climbing.org

26 minute highlight programs

The IFSC produces 26-minute highlight programs. May a media be interested, please contact: federico.ferro@ifsc-climbing.org

General Policy

Filming of the climbing/competition is NOT permitted without prior agreement with the IFSC.

Violations

Violations of this policy may result in withdrawal of media accreditations and restricted access to IFSC events or IFSC media materials.

If content is uploaded online without the IFSC's permission, the IFSC will claim for removal and/or monetization of the content.

Further Stipulations

At any time, the IFSC Team may issue additional requirements at the event. Questions regarding this policy should be discussed with the IFSC before the events.
