INTERNATIONAL FEDERATION OF SPORT CLIMBING 2017 MEDIA REGISTRATION OPENS

The IFSC is pleased to welcome media to a new season of competition climbing!

The 2017 season starts in less than 6 weeks, and the IFSC has officially launched the media accreditation process. Local and international media are encouraged to apply.

Accreditations

All media at IFSC events may register online here:

<http://www.ifsc-climbing.org/index.php/list-all-news-feed-categories/media-centre/media-accreditation>

This form has been redefined and simplified for ease of use. Registration for IFSC Youth World Championships Innsbruck will open soon.

Each media will receive an email confirming the application has been received, and another email granting/denying accreditation. After confirming an accreditation, the IFSC will send further information as the events approach.

Registration will be closed 1 week before the event for TVs and 2 days for other media.

Access

To maintain a strong working environment at events, media will now be given a "Level" during accreditation

that determines event access. This Level will be indicated on the press badge for each event.

The Levels of access are indicated in the [IFSC Event Media Policy](#).

Filming

To showcase more athletes and bring top Sport Climbing action to more fans, Level 2 event media will now be able to film and use limited footage from Qualification rounds.

Media who would like to film Semi-Finals and/or Finals should please contact the IFSC Marketing & Communications Director, Anne Fuynel, at least one week before the event: anne.fuynel@ifsc-climbing.org.

Calendar

The [2017 IFSC Calendar](#) is now available on the IFSC website. A number of new events are on the schedule, including IFSC Climbing World Cups in Edinburgh and Tokyo.

Please feel free to contact us if you have any questions, and we look forward to seeing you at the events this year!
