IFSC CLIMBING SEASON 2015: A NEW MEDIA ACCREDITATION PROCESS

The IFSC climbing season is about to start with the first Speed World Cup to be held in Central Saanich on May 17th. The IFSC team and the Event Organizers are all thrilled to welcome you on each of our events. To do so, we would like to offer you the best conditions by having an easy process for media accreditation. We have set up an online registration platform dedicated to the media. This platform will be available on Monday, April 20th. If you want to attend one or several IFSC events, please go to <http://www.ifsc-climbing.org/index.php/media-centre/media-accreditation> and fill out the online registration form.

This application form will be automatically sent to the IFSC for approval. You will then receive an email of confirmation and the Event Organizer(s) will be informed.

Please note that in order to save you time, the IFSC offers you the possibility to register for several events.

The deadline for registrations will be 1 week before the event for TVs and 48 hours for other media. If you miss the deadline, please take into account that we cannot guarantee you the access to our events, so we encourage you to apply in advance.
