

IFSC WORLD CHAMPIONSHIPS PARIS 2016

PARIS COMBINED RESULTS

The Combined ranking offers an Overall comparison of Athletes across the three Sport Climbing disciplines of Bouldering, Lead and Speed. The formula is simple: competitors must compete in all three disciplines to qualify and are ranked based on the aggregate of their places in the individual disciplines, in ascending order (lowest score is best). Ties are broken by comparing the competitors' best scores. Below are the Combined results for the IFSC World Championships Paris 2016. As with individual disciplines, medals (Gold, Silver, Bronze) were awarded to the top three competitors.
